Personal Income Tax Notice of Proposed Assessment Information

In this document, we refer to the California Revenue and Taxation Code as R&TC.

GENERAL INFORMATION

The accompanying Notice of Proposed Assessment advises you that we intend to assess additional tax or penalties. To allow you time to review and respond to the notice, we will take no further action before the “**protest by**” date shown on the front of the notice.

AGREE

If you agree with the proposed assessment, please pay the additional tax, penalties, and interest shown on the accompanying notice. Do not submit Form 540X, *Amended Individual Income Tax Return*. Additional interest accrues from the date of the notice to the date we receive your payment. However, we will not charge additional interest if we receive your payment in full within 15 days of the date we mailed the notice.

Payment Procedure

To receive proper credit for your payment, please do the following:

- Provide a check or money order payable to Franchise Tax Board.
- On the payment, write your social security or taxpayer identification number and the taxable year shown on the accompanying notice.
- Mail your payment and a copy of the notice to:

FRANCHISE TAX BOARD
PO BOX 942867
SACRAMENTO CA 94267-0021

PROTEST (Disagree)

If you disagree with the proposed assessment, you can file a protest with us by the “**protest by**” date shown on the front of the accompanying notice. If you do not file your written protest by this date, the assessment will

become final and we will bill you for the amount due, including penalties and interest. (R&TC Sections 19041 and 19042)

Filing a protest will not stop the accrual of interest.

We will not charge additional interest if we receive payment in full within 15 days of the date we mailed the notice. If you pay the additional tax, penalties, and interest due, or pay the full amount under our cash bond procedure, you will stop the further accrual of interest without losing your right to contest the disputed amount. (R&TC Sections 19041.5 and 19335)

Protest Procedure

Your written protest must clearly state what you are protesting and why. You must file it by the “**protest by**” date shown on the front of the accompanying notice. Please include:

- Your name and address.
- Your social security or taxpayer identification number.
- The amounts and taxable years you are protesting.
- A statement of facts.
- Points in support of your position.
- Your explanation of why our assessment is wrong.
- Your signature or your authorized representative's signature.
- Your daytime telephone number.
- A copy of the Notice of Proposed Assessment.
- A completed *Power of Attorney Declaration for the Franchise Tax Board* (form FTB 3520), if you want someone to represent you during the protest process. Specific instructions for completing and filing a power of attorney declaration are available at our Website at www.ftb.ca.gov.

Mail your protest to:

PROTEST SECTION
FRANCHISE TAX BOARD
PO BOX 1673
SACRAMENTO CA 95812-1673

We will grant you a hearing if you request it in your protest. Your authorized representative may represent you at the hearing. Once we consider your protest and make a decision, we will send you a written notification.

REFUND CLAIM TIME FRAMES

There is a time limit for requesting a refund from us. Generally, you can file a refund claim until the later of four years from the due date of your return, or one year from the date of overpayment. (R&TC Section 19306) For claims filed on or after January 1, 2002, you can file an informal refund claim within the time frames indicated above if you have not paid the full amount due. An informal claim will extend your time frames and protect your right to file an appeal with the California State Board of Equalization or file suit against us in court. However, we cannot refund any partial payments that were made more than seven years prior to the date that you paid the tax in full. (R&TC Section 19322.1)

SETTLEMENT OPTION

We are authorized to settle civil tax matters in dispute. A civil tax matter in dispute is defined as the protest of a Notice of Proposed Assessment, an appeal to the State Board of Equalization, or an outstanding claim for refund, which has been through the audit process. The purpose of the settlement program is to negotiate settlements of civil tax matters in dispute consistent with a reasonable evaluation of the costs and risks associated with the litigation of these matters. (R&TC Section 19442)

If you initiate and make a good faith settlement offer, we may negotiate a settlement with you regarding your California income or tax issues in dispute. **However, you must first file a protest according to the procedures outlined in this document (see Protest Procedures elsewhere in this document).**

In deciding whether to accept your offer into the settlement program, we do not consider your ability or inability to pay. We only consider the hazards and risks associated with the issues in dispute.

For forms, instructions, and more information on how you can initiate a settlement, please see FTB Notice 2003-2 on our Website at www.ftb.ca.gov. You can also contact our Settlement Bureau at (916) 845-5034.

INTEREST

Interest accrues on unpaid liabilities from the original due date of the return until the date we receive payment in full. We also charge interest on penalties. (R&TC Section 19101)

PENALTIES

40 Percent Accuracy Penalty

For tax years that were eligible for tax amnesty, we may impose an accuracy-related penalty if you have understated your liability. The penalty is equal to 40 percent of the related underpayment. (R&TC Section 19164)

Accuracy and Fraud Penalty

Under certain circumstances, if you understate your tax liability, we may impose a penalty equal to 20 percent of the related underpayment. We may also impose a fraud penalty equal to 75 percent of the related underpayment. (R&TC Section 19164)

Demand for Return or Information Penalty

If we send you a demand to file your income tax return or to provide us with information, and you do not comply, we impose a penalty of 25 percent of the tax on our assessment before applying any payments or credits. Therefore, you may owe penalties and interest even if your tax return shows a refund due. This penalty may be in addition to any 25 percent late return penalty. (R&TC Section 19133)

Late Payment Penalty

If you do not send the total amount due shown on your tax return by the original due date, we impose a 5 percent penalty on the unpaid tax. We also impose a penalty of

0.5 percent of the unpaid tax for each month or part of a month it remains unpaid. The maximum penalty is 25 percent of the unpaid tax. We charge the penalty even if there is an extension of time to file a return. (R&TC Section 19132)

Late Return Penalty

If you do not file your income tax return by the extended due date, we impose a penalty of 5 percent of the tax due, after applying any payments and credits made on or before the original due date, for each month or part of a month the return is late. The maximum penalty is 25 percent. We impose the penalty from the original due date of the return. (For a return that shows a balance due, the minimum penalty for filing a return more than 60 days late is \$100 or 100 percent of the tax due after applying timely payments and credits, whichever is less.) (R&TC Section 19131)

Post-Amnesty Penalty

We impose a penalty when you owe new or additional tax on a tax year that qualified for tax amnesty. The penalty is equal to 50 percent of the interest that accrued on the tax assessment from the original due date of the tax to March 31, 2005. You cannot protest this penalty. You can file a claim for refund of this penalty only on the grounds that the Franchise Tax Board did not properly compute the amount of the penalty. (R&TC Section 19777.5(a)(2))

COST RECOVERY FEES

We charge you cost recovery fees if we must take collection action to resolve your filing and payment delinquencies. Cost recovery fees may include a filing enforcement fee, a collection fee, a lien fee, and fees to cover the cost of seizing and selling property. (R&TC Sections 19254, 19209, 19221, 19233, and 19234)

BILL OF RIGHTS HIGHLIGHTS

The California Taxpayers' Bill of Rights ensures that we adequately protect the rights, privacy, and property of all California taxpayers during the process of assessing and collecting taxes. The following information may be helpful to you if we begin collection actions on your tax liability.

Alternatives to Collection Actions

If you contact us, you can prevent collection actions by doing any of the following:

- Paying your tax liability in full.
- Making an installment agreement.
- Filing any required returns or providing proof that no return is due.
- Making an Offer in Compromise that we accept.
- Establishing that your financial hardship prevents you from paying this liability.

Laws Regarding Collection Actions

Third Party Contacts: We may contact third parties to determine or collect your tax liabilities. To the extent the law allows, we will provide you, upon your request, with a

list of individuals or organizations we contacted during the 12-month period following the date of the enclosed notice. We must receive your request no later than 60 days after the 12-month period has ended. (R&TC Section 19504.7)

Installment Agreement Cancellation: If we cancel your installment agreement, we will notify you in writing 30 days prior to the cancellation. (R&TC Section 19008)

Tax Liens: If we file a tax lien, you can get it released by paying the total tax liability (including any penalties and accrued interest) for the tax years represented by the lien. We will record a certificate of release in the office of the county recorder where we filed the tax lien and/or with the California Secretary of State no later than 40 days after you pay the liability. If you pay by check, the 40-day period does not begin until your financial institution honors the check. (R&TC Section 19206)

Unfortunately, we sometimes file a tax lien in error. If this happens to you, please write to us and tell us why you think we are wrong. If we agree with you, we will send a notice to the applicable county recorder's office and to credit reporting companies in that county stating that we filed the tax lien in error. (R&TC Section 21019)

Bank, Wage, or Other Levies: If we take your property and you believe our action is improper, you have the right to a hearing. At the hearing, you should provide information that demonstrates to us the need to change or withdraw our levy or stop the sale of your property. If we seize your bank account in error, and you did not contribute to that error, we may reimburse you for related bank charges and non-bank third party fees. You must file your reimbursement claim within 90 days of the levy. (R&TC Section 21018). The California Code of Civil Procedure Sections 700.010 through 704.995, and the California Revenue and Taxation Code Sections 18670 and 18671 govern the seizure and sale of real and personal property. The California Code of Civil Procedure Sections 706.020 through 706.154 govern wage garnishment.

You have the right to an independent administrative review if we levy your income or assets, or file a tax lien. You must submit your request for review within 30 days of the date of the levy notice or within 15 days of the date of the tax lien notice.
